

TRAINING FOR INTERVENTION PROCEDURES

AFPD offers TiPS training seminars, which will teach you how to sell alcohol for off-premise consumption – within the law. The benefits of becoming TiPS certified are numerous. The Liquor Control Commission looks favorably upon stores with TiPS trained personnel. Trained employees can reduce or limit your liability and you can reduce your liquor liability insurance premiums if at least 75% of your staff is certified.

The three hour training seminar is taught by a certified instructor and includes an audio visual presentation, a question and answer session and take home material. *Upon successful completion of a short test you will be TiPS Certified.*

TUITION COST – Member: \$30.00 / Non-Member: \$60.00
