16TH ANNUAL
SCHOLARSHIP LUNCHEON

Sponsor a student today and invest in the leaders of tomorrow...

Every year the Midwest Independent Retailers Foundation awards academic scholarships in the amount of \$1,500 each to extraordinary and deserving students who will be attending, or are already attending an accredited public college, private college, university or trade school. Scholarship recipients have an opportunity to meet and network with donors and contributors during the Annual Scholarship Luncheon.

Since its inception, generous contributions have permitted the Midwest Independent Retailers Foundation to distribute over \$945,000 in scholarship funds to the employees and family members of member businesses, their customers, and financially disadvantaged youth.

Sponsoring this event will truly make a difference in the lives of these students, and together we work to enhance our next generation of leaders.
