Confidence • Choice • Clarity

Get a health care plan that's clear, compliant and fits the needs of your business, family or self.

Blue Cross Blue Shield of Michigan understands the Affordable Care Act. All Blue Cross and BCN benefit plans fully comply with the health care reform law. Confidence, choice, clarity — everything you need in a health care plan.

Blue Cross has assembled plans spanning a wide range of coverage options to fit your budget.

MIRA exclusively endorses health care coverage plans offered by Blue Cross and BCN. Our partnership with Blue Cross provides MIRA members with access to group and individual health plans, as well as coverage for prescription drugs, dental and vision.

More Provider Choices

With access to Blue Cross' unmatched statewide networks, your employees will have the flexibility to choose from a wide variety of providers (doctors/hospitals/pharmacies) to meet their individual health care needs.

Worldwide Acceptance

Blue Cross coverage does not stop at the state line. With BlueCard® protection, your employees' coverage extends across the country and around the world. No other card is recognized and accepted as much as the one that carries the Cross and Shield.

A Dedication To Wellness

Good health means a healthier bottom line. Blue Cross health plans include wellness resources that support your employees in achieving wellness goals such as losing weight or stopping smoking – at no additional cost to you or them.
