

# MIRA MEMBER EXCLUSIVE – DISCOUNTS –

## *A fast, safe and convenient alternative to filling and selling propane tanks!*

### **MIRA MEMBER\* PRICING:**

Exchange Price:  
**\$13.39**

Purchase Price:  
**\$47.00**

\*If you are already a Tank Traders® customer, we will adjust your cost to these rates.

*From fill to till and back again, we oversee the entire product lifecycle to serve you better. By controlling our operations, we're able to ensure that every tank is:*

- Inspected, cleaned and refurbished by qualified personnel
- Delivered on time by licensed drivers
- Decommissioned and recycled for scrap metal at the end of its life

*As a participating retailer, you'll:*

- Expand your product line to include propane sales
- Eliminate the need for specialized training and certified propane attendants
- Increase repeat business and return consumer traffic
- Earn extra revenue without losing indoor shelf space
- Provide a new service for customers that encourages repeat business
- Offer an environmentally friendly recycling service at no charge
- Eliminate the need for your customers to wait for tanks to be filled

**1**

### **Account Set Up**

We will walk you through the application process, obtain licensing on your behalf where applicable, and get you all set up so that you can start selling propane.

**2**

### **Training & Displays**

Once you're all set up, we'll train your staff on the program and its benefits and outfit your store with a 24-tank, or larger, storage display cage, promotional signage and marketing collateral.

**3**

### **Away You Go**

Finally, our logistics team will fill your cage and coordinate regular propane deliveries based on your sales volumes in order to maximize your stores' propane sales.
